~~A PROCESS FOR PRODUCTION OF CARDS WITH IMAGES AND RELATIVE IMAGE CARD~~

ABSTRACT

A process for the production of image cards ~~comprising the following steps:~~ including printing of a sheet [[(1)]] so as to obtain a printed sheet [[(1a)]] with a plurality of images [[(3)]] disposed in a plurality of windows [[(30)]], overprinting of decorations [[(43)]] on said image windows [[(3)]], deposition of a protective layer [[(50)]] on said decorations [[(43)]] so as to fix them and avoid removal of the material from the decorations and punching of said printed sheet [[(1a)]] so as to obtain a punched sheet [[(1d)]] with microperforations [[(63)]] along the perimeter of said windows [[(30)]] containing the image [[(3)]].
